Town To Get Estimate On Street Surfacing

At the last regular meeting of the Vulcan town council, on June 13, a representative of the engineering firm of C. C. Parker, Whitaker and Co. met with council to discuss costs of engineering and paving certain town streets. Council decided to engage this company to make a preliminary survey on eight blocks as soon as possible.

Recent testing of the streets being considered for hard-surfacing — Centre St. from the CPR depot to the golf club entrance and two blocks of cross-street, from the theatre to the Vulcan Supply Co. corner — showed an average of nine inches of compacted gravel, which, it is hoped, will meet the government standard as the base for four inches of hard-top.

Cost of such project has not yet been determined, but the town's engineers will meet this week with Gallelli & Sons, the company now engaged in hard-topping No. 23 highway north from Vulcan, to get cost estimates. Some levelling and lowering of road crowns would also be necessary.

Tentative plans call for the use of the government paving grant of approximately \$23,000 and of the town's surplus of about \$30,000 in financing this work. It is hoped to at least get the four main business blocks paved this year, but the cost of hard-surfacing will be the determined factor in just how much can be done.

Other business at the council meeting included the passing of a motion to advise the Town Plan-

ning Commission that the Town wished to annex the balance of Section 5-17-24-W.4th, which would extend the town boundary from the CPR right-of-way to the west side of Highway 23.

By-law 390, authorizing the town council to provide for Civil Defence and Disaster, was given third reading and passed. Councilors Emelson, Joiner and Ness were appointed as Civil Defence committee, with power to add to their number.

Building permits approved were: Donald B. Smith, for a 10x26 frame addition to dwelling on Lots 23-24, Block 11. Estimated cost \$1,500. Contractor: Ernest Lind.

Norman B. Pettie, for a 30x44 frame dwelling on Lot 15, Block 16. Estimated cost \$13,000.

Supplying Liquor To Minors Costly

L. W. Porter of Turin, Ken Nadobney of Forest Lawn and a third party were all given 30 days sentences at Lethbridge jail for supplying liquor to minors, in police action last week.

An impaired driving charge was heard Monday and a fine of \$100 plus \$25 for illegal possession of liquor was levied. Also two separate charges involving illegal possession were heard with the offenders each being fined \$25.

A man wanted by Calgary police was picked up in Vulcan and returned to the city to face trial.

JUDGE ED NODD of High River casts a critical eye from the background of above photo at the groups of six assembled for one event of the Vulcan Regional 4-H Calf Club and Sale held last Saturday. In the foreground, dressed in provincial 4-H maroon shirts and white stetsons are members of the Arrowwood club while the white shirted Berrywater boys and girls line up in the background.

Berrywater Calf Wins Top Award At Show

Seventy members of the three Vulcan Regional 4-H Clubs were up with the sun last Saturday to get their calves to the arena by 7:00 a.m. weigh in time, previous to the third annual show and sale.

By 11:00 o'clock Don Salken's 1190 pound Hereford had won the Grand Champion award and the Berrywater Pee-wee club had taken the Grand and the Reserve Grand ribbons for Pee-wee entries.

Gerald Arney, of Arrowwood club took Reserve Grand Champion, showing an Angus calf weighing 1085 pounds.

Pee Wee Grand Champion was eight-year-old Danny Bates, Berrywater, whose black Angus weighed in at 830 pounds. Reserve Grand Champion went to Jim Oldfield, Berrywater, with an 870 pound Hereford entry.

Judge Ed Nodd of High River started his work at 9:00 a.m. with the Arrowwood club first, followed by the Vulcan West-Ensign club and Berrywater club through the show ring.

An additional and interesting class was included in this year's show. It was the Group of Six event in which each club positioned six head of livestock and handlers in the ring before the judge.

Berrywater won this class and some very helpful criticism came from Mr. Nodd as he compared the showing with the procedure followed at the Toronto Royal.

A crowd similar in number to last year's 500 was on hand throughout the day and was treated to a smoothly run show with a seemingly endless line of cattle going through the show and sale ring.

THE WEATHER

Fine days have been few and far between this spring, as high winds continue to whip the prairies. The weather on Tuesday of this week was cool, cloudy and windy. Showers have fallen in some parts of the district but the rain has not been general. Crops are reported as somewhat late but making good growth.

Dinton Fastballers Win 10, Lose Two

The Dinton fastball team now has a 10-2 record for the season, losing its second game on Sunday, June 12, when High River got the winning run in extra innings to win 9-8. In the first game of the double-header Dinton was an easy 27-9 winner.

Against Aldersyde on Sunday, June 19, Dinton took both games by one sided scores of 13-2 and 20-5. In the second game, Jim and Derry Ellice of Dinton each got five hits in five times at bat.

Huff, Liebrich. Vulcan: Burley, Gatenby, Jordan, Schumaker, Pruden, Deal, Sjogren, Mitchell, Taylor.

League Standings follow:			
	W	L	Pts.
Enchant	8	2	16
Champion	4	3	8
Vulcan	4	4	8
Lomond	3	6	6
Nanton	3	7	6

Three Enchant players are in the top five batters list. Dick Weist and Mike Weist of Enchant lead with 512 and 464 averages, followed by Vulcan's Mel Jordan with 462, M. Leibrich of Lomond, 458 and L. Howg of Enchant with 420.

Enchant pitcher S. Peterson leads all rivals with four wins against one loss.

Elks' Celebration July 1

A celebration designed especially for the children but with lots of attractions for their elders as well will be sponsored by the Vulcan Elks Lodge at Vulcan on Dominion Day, July 1.

A full program of children's sports is planned, with competitions for all ages and cash prizes. A popular feature of the Elks' annual celebration is the free ice cream and pop for all children.

An added feature this year will be a big parade starting at 12 noon, with entries of decorated floats, decorated bicycles, new cars and machinery, etc. Prizes will be awarded for the best entries and further entries are solicited. Jean Moyer is the parade marshal and can be contacted for information regarding entries.

Sports feature of the day will be a senior baseball tournament be-

tween the Foothills League teams of Champion, Vulcan and Nanton and a team from Lethbridge. Prize money for this event totals \$150 and the first game will start at 1:00 p.m.

Horseshoe pitching experts will get their chance to collect some cash prizes in the annual horseshoe tournament.

A nominal admission for the full day will be charged adults, but all school children will be admitted free.

Kirkcaldy Couple Killed

Accident On Highway 23 Takes Lives Of Three

Three persons are dead and one hospitalized following an accident on No. 23 Highway about five miles south of Champion a few minutes after midnight last Saturday, June 18.

Killed instantly when the car in which they were passengers stopped on the highway and was struck from behind by a gravel truck were Mrs. David Kennedy of Kirkcaldy and Mrs. George Veale of Lethbridge. Fatal injuries were received in the crash by David Kennedy of Kirkcaldy, who died about four hours after admittance to the Vulcan Hospital. Still hospitalized, with lesser injuries, is Peter Buys of Kirkcaldy.

Out of the car at the time of the crash and thereby escaping injury were George Veale of Lethbridge, husband of Mrs. Veale, and Glen Bateman of Kirkcaldy. Driver of the three-ton truck, Robert Stewart of Champion, was uninjured except for shock.

Called to the scene of the accident were the RCMP of the Barons detachment and Dr. Eugene Szekely of Carmangay. The Vulcan Motor Products ambulance, driven by Harold Fox, rushed the two injured men to the Vulcan Hospital, where they were attended by Dr. Szekely and Dr. M. E. Koziol. Mr. Kennedy suffered a fractured skull and brain hemorrhage and never regained consciousness, dying at 5:30 a.m. Sunday. Mr. Buys is reported to be making satisfactory progress.

Funeral services for Mr. and Mrs. David Kennedy of Kirkcaldy, victims of a highway accident early Sunday morning, were conducted Wednesday afternoon, June 15, from the St. Aldhelm's Anglican Church, Vulcan, by Rev. Robert Johnson.

Former residents of Viking, Mr. and Mrs. Kennedy had lived for the past three years at Kirkcaldy, from where Mr. Kennedy operated a water well drilling outfit.

Born at Viking, David Kennedy was 26 years of age. His wife, Pearl Ann, was 23 years of age. They leave four children, Barbara, 5 years; Gail and Gloria, 4 years (twins); and James David, aged seven months. Mr. Kennedy is also

At Vulcan High School Fine Display By Home Ec, Woodwork Classes

On June 16, students of the Home Economics and Woodwork classes of the Vulcan High School, and their respective teachers, Mrs. C. G. Ness and A. J. Smith, welcomed their many interested parents and friends to an exceptional display of the work accomplished during the past year in these classes.

Mr. Smith, on behalf of both classes, welcomed those present and following the singing of "O Canada," the 75 Home Economic students modelled some 105 garments which they had completed in what proved to be a very enjoyable fashion show.

The students, ranging from grades eight to eleven, revealed various degrees of ability in the many projects undertaken.

The girls depicted a week in the life of a teen-ager and modelled the various types of clothing required by busy girls in their many activities. Among these were skirts and blouses, plain and party dresses, sportswear including slacks, shorts, etc., jacket dresses and even two and three piece suits.

A varied musical program interspersed the different groups of fashions and those who entertained in this way were Barbara Budd, Sandra Schierman, Carolyn Haga, and Shirley Deal, Margaret Giles, Myrna Jamison, Ann Jamison and Beverly Campbell and Diane Gardner. Mrs. Paris and her grade 8 girls chorus were also very much enjoyed in their presentation of several numbers.

Commentators for the display were Kathleen Knive, Kathleen Haverty, Louise Graham and Ruth Warkentin. Soft background music was supplied by other members of the classes, Sandra Schierman, Jean Ann Matlock, Margaret Ann Jamison and Faye Callaghan.

Mrs. Ness brought the afternoon to a fitting conclusion by thanking all who had assisted in any way to make the event such a success and invited the guests to remain

Auxiliary Recesses For Summer

The last meeting of the Ladies Auxiliary to the Canadian Legion before the summer recess was held Wednesday, June 15, in the Legion Hall, with a good attendance of members. Mrs. A. C. Marsh, the president was in the chair and was assisted in conducting the meeting by secretary, Mrs. E. Jones.

Correspondence was light and dealt with routine matters. A letter from Mrs. John Hunter of Calgary request her transfer, which was regrettably granted. A donation of \$10 was made to the Salvation Army appeal.

Committee reports were received, showing a nice profit on the recent bake sale and raffle.

At the conclusion of the business session lunch was served by a committee.

DR. EUGENE SZEKELY To Edmonton

Municipal contract doctor at Carmangay for the past several years, Dr. Szekely is moving to Edmonton, where he will conduct his own private practice. No announcement has yet been made of his replacement at Carmangay.

Discuss Civic Centre At July Meeting

A meeting between the Hon. Russell Patrick of the provincial cabinet and representatives of local organizations working for construction of a civic centre in Vulcan is expected to be held next month, according to officials of the civic centre committee. Arrangements for Mr. Patrick to visit Vulcan will be made by the Hon. Peter Dawson, MLA.

A report by officers of the Vulcan County Arts Council, setting forth reasons why a civic centre type of building is needed in Vulcan, will be published next week.

Forest fires can be avoided.

TWO OF THE PROUDEST — and youngest — cattlemen of the country, Jimmy Oldfield and Danny Bates, both of the Berrywater Pee Wee are seen just after taking Pee-wee Grand Champion and Reserve Grand ribbons at the Calf Show. Eight year old Danny Bates showed 890 pounds of black Angus entry for Grand Champion.

He is in his first 4-H year and threatens to follow sister Carolyn's footsteps to the Toronto Royal some day. Ten year old Jim Oldfield is an old hand at the show game. He is in his third year and won Reserve Grand in his first year and next year took Reserve for his club.

PICTURED IN SHOW position is Don Salken of the Berrywater club whose 1190 pound Hereford entry took the Grand Champion award at the Show. Don is 17 years old and has been with the club

since its organization, four years ago. He is one of three of his family in 4-H work. Fourteen year old David and eight year old Teddy also are club members.

Champion

The next Baby Clinic at Champion will be held at the usual time and place but it will be on Thursday, June 30, not Friday, July 1.

Members of the ball club spent their free Sunday fishing north-west of High River.

Ed. Marshall was badly burned at his farm on Friday morning and is confined to the hospital. Best wishes for a speedy recovery are extended him.

Mrs. Libby Latiff is visiting at the home of Mr. and Mrs. Dick Latiff of Ponoka.

Mr. and Mrs. Harvey Fath and family spent Sunday fishing west of Nanton.

The Lions Club are pouring a cement floor in the basement of the hall this week.

Mrs. C. Miller is visiting at the home of her son-in-law and daughter.

ter, Mr. and Mrs. S. Joseph of Edmonton.

Mrs. Jim Hopkins and Mrs. Don Clifford were Lethbridge visitors on Tuesday.

Friends of P. Mahoney will be sorry to hear that he had spent two days in the Hanna Hospital. He is home in Calgary now.

Mr. and Mrs. George Ellis and Mr. and Mrs. Ed. Lundberg attended the Lions Convention at Missoula, Mont., last weekend.

Mr. and Mrs. Art Brennen of Saratoga, Calif., are visiting at the home of Mrs. Brennen's brother, Gordon Stewart. They had not seen each other for 33 years.

Mr. and Mrs. Max Groves are holidaying in Wisconsin, U.S.A.

Mr. and Mrs. Andy Dunipace and F. Bouzyan drove over Logan Pass on Sunday.

Ernie Douville of Gravelburg, Sask., spent the weekend with his family here. On Saturday Mr. and Mrs. Douville spent the day in Calgary with Roger who is a patient in the General Hospital.

Mrs. P. Mahoney of Calgary spent a few days of last week at the home of Mr. and Mrs. H. Jopling.

Mr. and Mrs. Monte Howerton spent the weekend visiting at Leduc and Edmonton.

Mr. and Mrs. Pete Olson entertained a number of relatives at a dinner party in honor of Mr. and Mrs. Andy Kurtz on their 30th wedding anniversary. Out-of-town guests were from Vulcan, Lethbridge and Milk River.

Mr. and Mrs. R. Massey of Calgary visited at the home of Mr. and Mrs. Eli Hopkins over the weekend.

Women's Institute

The WI met at the home of Mrs. C. J. Versluys this month. Eleven members and one visitor were present.

The Sunshine convener, Mrs. Miller, had sent four cards since the last meeting. The birthday box passed by Mrs. Gordon Davey received a contribution from Mrs. Ella Sison. Roll call was answered by the members paying one penny for each article in their purses. Mrs. Russell Hegland gave an excellent report of the WI Conference at Barons. Mrs. Hegland in her report said the Women's Institute is the largest organization in the world with seven million members. The raffle was won by Mrs. A. Dunipace. An exchange of gifts took place at this meeting, which was the birthday meeting of the Champion WI.

A delicious lunch was served by Mrs. Versluys. She was assisted by Mrs. Bill Wolfe and Mrs. Davey.

Library Notes

Among the new books of interest in the library for teen-agers are, "Was a Teen-age Dwarf," by Max Shulman. This is the story of Doble Gillis, a short lovable boy who grew up to be a short lovable man; "A. Lincoln, Prairie," by John J. Duff is a book which fills the only real gap in our knowledge of the man who was one of the greatest presidents. "Dear Teen-ager" by Abigail Van Buren is a book all teen-agers will want to read.

For the adults we have, "Eye Opener Bob," by Grant MacEwan. For years Bob Edwards was the West's most controversial character and a most fascinating part of early Alberta. Ken Liddell's new book, "Alberta Revisited" will find many interested readers. "Speaking of Canada" by Vincent Massey deals with his eight years as Governor-General of Canada and covers many of his travels. "The Whoop-Up Trail" about early days in Alberta and Montana by Gerald L. Berry.

Lions Club

A general meeting of the Champion Lions Club was held in the club room of the Community Hall on Monday, June 13.

It was reported that the Barons Elks Club was interested in purchasing the ferris wheel, the president being authorized to negotiate the sale. A short report was given by Lions Ed Lundberg and George Ellis who recently attended the Lions Convention in Missoula, Mont. It was decided to start work immediately on the Community Hall. A new cement floor will be put in the dining area.

The date for the annual baseball tournament was set for July 21 and 22, providing teams can be obtained to play on those dates. A ladies' night was planned for the next meeting to install the new officers.

Fashion Show

A large crowd turned out Friday afternoon for the Fashion Show and display held in the auditorium. Grades nine, ten and eleven, showed off their projects made in Home Economics this year under the leadership of Mrs. Neas.

It was wonderful to see the clothes these girls have made. They had done a lovely job of decorating with lilacs and sweet rocket being the predominating flowers used. Between the showing, the ladies were entertained by Carla Lever, solo; Judy Christensen, piano solo; Beverly Ruggles, monologue; a quartet by Diane Lundberg, Sandra Jordan, Lorraine Nowlin and Marian Hames; solo, Ruth Hummel.

A display of work done by Grades one to eight was at the back of the auditorium.

A dainty lunch was served to bring the afternoon to a close.

PUBLIC NOTICE

By the Council of The County of Vulcan, No. 2 of the Province of Alberta.

WHEREAS it is deemed expedient by the Council of the County of Vulcan No. 2, of the Province of Alberta, that the sum of Two Hundred and Seventy-Five Thousand dollars should be borrowed on the security of the said County by the issue of Debentures repayable to the bearer in twenty-five equal consecutive annual instalments with interest at the rate of not more than six per centum per annum for the following purposes, namely:

The building and equipping of a six room addition and auditorium to the Lomond School.

THEREFORE, notice is hereby given by the Council of the said County that unless a poll of the proprietary electors of the said County for and against the said debenture loan is demanded as provided by The School Act, the said Council will apply to the Board of Public Utility Commissioners for authority to borrow the said sum by debentures.

Of which all persons interested are hereby notified, and they are required to govern themselves accordingly.

J. E. CARLSON
(Chairman)

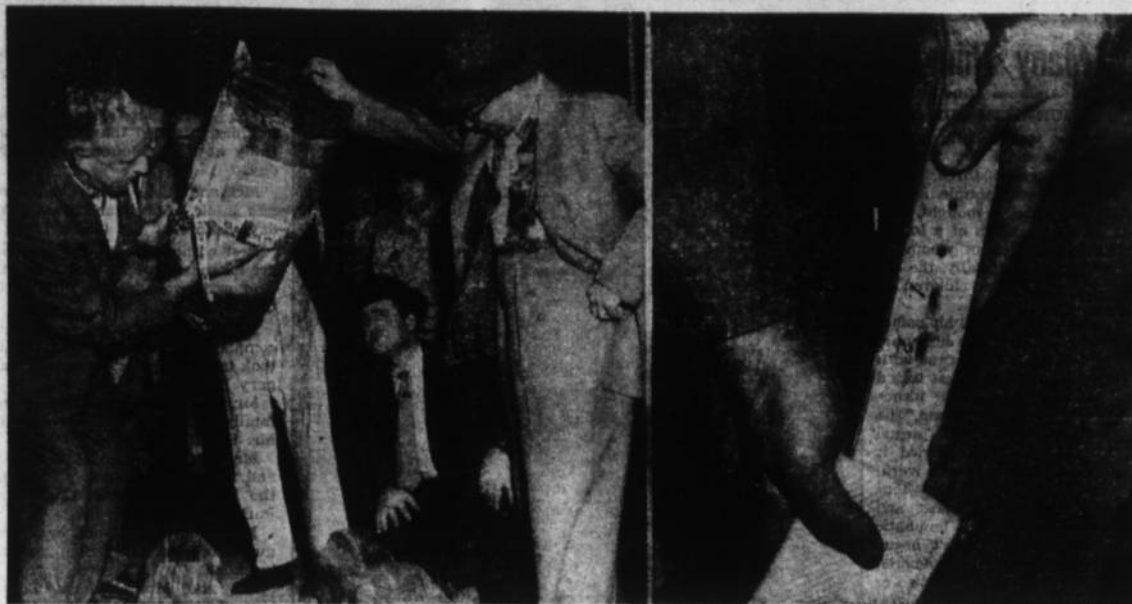

Dated at Vulcan, Alberta, this 22nd day of June, 1960.

INSTRUCTIONS TO PROPRIETARY ELECTORS IN A COUNTY

A poll may be demanded in a County by a demand signed by five proprietary electors of each of at least twenty per cent of the districts in the County.

Every demand for a poll must be delivered to the Secretary of the County or, in his absence, to the Chairman of the Council within fifteen days after the date of posting or of the last publication in a newspaper of this notice. A certified copy of the demand must be forwarded forthwith to the Board of Public Utility Commissioners of Alberta at Edmonton.

"Proprietary elector" means an elector, who is liable to assessment and taxation for school purposes in respect of any property situated in the County or town or villages included in the County for school purposes.

AN INCREASINGLY common type of accident was simulated recently by the Factories Branch of the Alberta Department of Labour, to test the strength of a new nylon safety belt and two types of lifeline. The tests were designed to subject the equipment to an impact as great or greater than that of a person falling from an oil derrick. The safety belt was secured to a steel cylinder and locked to the lifeline. The other end of the line was fastened to a dynamometer which measures impact force when a free falling object is suddenly arrested. The dynamometer was attached to the ceiling approximately 20 feet above the floor. Using a platform and pulley system, the test weight was elevated and then dropped. The length of fall was controlled by rope length allowing sufficient room for rope stretch. The first test used 1/2 inch nylon rope, 12 feet in length with a 200 pound weight. At the end of the

free fall the nylon rope stretched 1.92 feet subjecting the safety belt to an impact force of 2900 pounds.

The second and third tests used the same kind of rope and with a weight of 250 pounds. The tests were designed to measure the loss of elasticity and resultant characteristics of the material. The 250 pound weight registered an impact of 2500 pounds stretching 3 feet the first time and stretching 2.15 feet the second with an impact of 3275 pounds. Increased impact weight was due to decreased rope elasticity. The safety belt had shown no damage up to this time.

A one inch manilla rope was used for the fourth test. Attached to a 250 pound weight the rope stretched .471 inches at the end of the 12 foot fall, registering an impact of 9000 pounds. Again the greater impact was caused by the comparative lack of elasticity in manilla rope. The greater impact from use of manilla rope caused slight damage to the eyelets on the safety

belt buckle although it suffered no severe damage. One inch manilla rope is made with a maximum breaking weight of 9000 pounds but due to its non-elastic characteristics should be used only to 20% of maximum. Nylon of the half inch size has a breaking strength of 5000 pounds, but due to greater elasticity may be used to 70% of maximum.

The safety belt tested is of a new design, made almost entirely of nylon. In addition to having greater strength than the cotton web model, the nylon belt is impervious to oil, gasoline and moisture, which may rot a cotton belt and cause it to fail. The tested belt also had a newly designed attaching ring, which is less subject to damage than the "D" ring. All safety belts used in the oil industry must pass a test of 250 pound weight dropped 6 feet on a 6 foot manilla rope.

The Factories Branch works in co-operation with the Workmen's Compensation Board to ensure the regulations which require the use of safety belts on all oil rigs, are complied with. Periodic checks are made at derricks to verify the lifeline and safety belt. Investigation into injuries or fatalities at a well site is also conducted by the Branch. During 1959, two oil workers were killed as a result of falls from oil derricks. Two others who fell with safety belts were slightly injured. Unreported falls in which worker suffered no injury make it impossible to establish the number of persons whose lives have been saved by the belt. The Factories Branch reports in some cases a belt has been available to a fall victim but he was not wearing it.

Reduce Easily With The Naran Plan

FOREST, ONT. "I am happy to say that by using the Naran Plan for one month I have lost sixteen pounds. I don't know of an easier or more pleasant way to lose weight. I am very pleased with your product and am recommending it to my friends." G. Addison, R.R.1, Forest, Ont.

How often have you looked in the mirror and decided that you are getting too fat? How often have you had to have last year's clothes let out or buy a larger size? How often have you resolved to reduce but given up because of tiring exercise or starvation diets? Thousands have found that there is an easy, safe and effective way to get rid of unsightly fat. Prove it to yourself, try the Naran Plan today, your druggist has it and it is sold with a money back guarantee. What can you lose? Nothing but weight.

KIRKCALDY

Mrs. Russell Robble returned home on Saturday from the Vulcan hospital where she was a patient for several days.

Of Many Things

By Ambrose Hills

DON'T ARGUE WITH THE COPS

The fellow was talking to his poolroom pals. Said he, "I have given my daughter three don'ts only. They are very simple."

I listened. Here, I thought, will be the distilled wisdom of a father advising someone about whom he cares a great deal. Usually, the advice parents give to children is pretty sound.

The fellow enumerated his points by stabbing a finger into his palm. "First, I told her not to argue with her teacher. She did and got tossed out of her biology class for insubordination," he said, "Second," he said, "I told her never to argue back to her Ma. I have tried it myself and I know it doesn't work."

It was his third "don't" that amused the spectators most and brought a good many emphatic nods of agreement. "Don't argue with traffic cops!" he had advised his daughter. "Even when you are right, you're stuck."

I think it is probably wise not to argue with policemen, especially very young policemen. We are a nation with tremendous respect for the law, and we ought to be. There was a time when the uniform of the Mountie was about the only law in the wild and wicked west. A good deal of that glamour sticks to the young men in Mountie uniforms today.

There is no doubt a few of them abuse this prestige. The grow cocky. They make mistakes. Some of them love to drive their high-powered cars far too fast for safety. One admitted recently, a magistrate, that he had driven his car at 80 miles per hour through a school zone in pursuit of an automobile which, at that time, he was not certain was speeding. It was altogether likely that he was acting more dangerously in his zeal than was the motorist he chased for the motorist had slowed down to thirty to go by the school.

DR. P. J. BOWDEN (left) and Dr. J. D. H. Alexander, of the Department of Physics, University College, London, inspect the "flying telescope" which they helped to develop at the College, before it is sent to Australia.

It will be fitted to the nose-cone of a Skylark rocket and launched from the Woomera rocket range to take pictures of the sky and measure the intensity of ultra-violet light beyond the earth's atmosphere. "In addition," said Dr. R. D. F. Boyd, leader of the five-man team which has worked on

the project for nine months, we hope to find out more of the nature of the stars' atmosphere, and perhaps even discover new astronomical objects radiating ultra-violet light at present invisible to us."

It is not a telescope in the conventional sense, but consists of six photo-multipliers, each set into a cast metal framework at different angles to the vertical so as to look at a low angle of degree at the sky, and so measure the intensity of ultra-violet light.

EASTWAY

Mrs. Baldwin was in the hospital for about a week receiving treatment on her legs, and home again before anyone realized where she was; however friends will be glad to know her illness wasn't of a serious nature and that she is home again. Her daughters, Rita and Marian paid her a visit on Sunday.

The names Delores Jean and Marie Ann were given the two young daughters of Mr. and Mrs. Norman Marshall at a christening service held on Sunday, June 12, in the Anglican Church in Vulcan. Godparents for Delores were Mr. and Mrs. Bud Tyler. Godparents for Marie were Mr. and Mrs. Walter Roebuck. Following the service Mr. and Mrs. Bill Marshall had as their guests for a turkey dinner, Mrs. M. Marshall, great grandmother of the young girls; Mr. and Mrs. Tyler; Mr. and Mrs. Roebuck; Mr. and Mrs. N. Marshall; Mr. and Mrs. Brian Todd; Mr. and Mrs. John Popovich; Rev. and Mrs. Bob Johnson and Ruth Marshall.

Calgary visitors included Gary and Mervin Goldthorpe, Jeanette and Allan Sinclair.

Friends of Ruby Wyatt will be interested to know she is now a patient in the Holy Cross Hospital. A speedy and complete recovery is wished her by her friends. Calgary visitors to see Ruby included Frank and Mr. and Mrs. George Gooch and family.

Mr. and Mrs. E. Rushfield were recent visitors at the Vic Rushfield home following the Bushell-Nelson wedding.

There was many an idle tractor this weekend when nearly everyone took in the races at the lake. Bill Marshall won the prize for the best dressed cowboy in the parade. Others participating in the parade included Jim Oldfield, Lana McLean, Leighton Rushfield, Ruth Marshall, Myrna McLean, Beverly Campbell, Rodney Eresman, and Barbara Eresman.

The Eresman Brothers had a few horses entered in the various races and came home with several prizes. Iris Glass again proved herself a capable jockey.

The sympathy of the district is extended to the McNiven families on their recent loss.

Mr. and Mrs. Allan Sinclair visited at the Sam Nafziger home on Sunday and visited also with Mr. and Mrs. Vern Dye of Olds.

Mr. and Mrs. Stuart Campbell and Hugh and Patricia and Mr. and Mrs. W. D. Campbell are attending a Lions Convention at Missoula, Mont.

Bill McMullen accompanied by his daughter, Mrs. Evelyn Choma, was called to Meadowlake, Sask., due to the illness of his mother. Marj Holoboff returned from Calgary to stay with her mother.

Miss Patsy Laughlin was an overnight guest of her uncle, Oscar Hellevang on Friday.

Mr. and Mrs. Bill McMullen were High River visitors and visited at the Lew Douglass and Claude Broderick homes.

Dennis Gooch and Dale Wyatt have left for Edmonton to attend Farm Young Peoples' Week. The Eastway Club is sending Dennis while the Wheat Pool is paying Dale's expenses.

Mrs. Doris McLean and daughter Lana and Mrs. Bertie Oldfield and daughter Sandra, attended the CGIT Mother and Daughter Banquet in Milo last week.

Social Club Meeting

The Eastway Social Club met at the home of Mrs. Chloe Marshall on June 9, with 13 members and three visitors answering the roll call of, "Sing, Say or Pay." The members were pleased to welcome Mrs. M. P. Marshall, a former member of the club.

A picnic has been planned for Sunday, July 24, to be held in the High River Park. Former residents of the district are particularly invited to attend. Coffee, paper plates and cutlery are provided.

The members of the club have been invited to a shower for Miss Selma Tangen who will be married to Dale McLean on July 9, at Mossleigh. The shower is to be in Mossleigh the afternoon of Saturday, July 2.

The contest was won by Lena Burgess while the raffle was won by Alberta Burgess.

Bill and Alberta Burgess visited with Mr. and Mrs. Gerald Bennett of Bowden last week.

Joe and Doris Sutor visited with Mr. and Mrs. Alfred Sutor at Blackie last week. Mrs. Raycraft, Doris's mother returned with them for a visit.

Arnold and Della Doane had Mr. and Mrs. Jack Norgard, Mr. and Mrs. Allan McKie, all of Claresholm, Doug Shipley of Winnipeg and Doug Carr of Okotoks as visitors on Sunday.

Bill and Olga Holton and Bill and Chloe Marshall attended the annual Oddfellow's service in Milo

Sunday afternoon. Later they went on to High River for further services.

Ray Onstad, Joe and Barney Sutor and Bill Holton were business visitors to Calgary this week.

MAJORVILLE

Mr. and Mrs. Sam Francis of Shoultice were Sunday guests at the home of the latter's brother and sister-in-law, Mr. and Mrs. Hugh Winch.

Mr. and Mrs. Alf Heather left on Wednesday for Conrad, Mont., where they were joined by Mrs. Heather's sister, Mrs. Bill Chambers who will accompany them to Bib Rock, Ill., where they will be guests at the home of Mr. and Mrs. Evan Hughes of Big Rock.

Clifford Fuller of Countess and Donna Avery of Gem visited on Sunday at the home of their uncle and aunt, Mr. and Mrs. Lewis Greaves.

Mr. and Mrs. Jim Dew and Mr. and Mrs. Bennett Dew and family went to Carseland bridge on Sunday to attend the annual re-union of the Dew family.

Mr. and Mrs. George Klemme, Leona and Charlie spent last weekend in the Cardston district visiting with relatives and friends.

Joanne Heather left on Monday to attend Farm Young Peoples Week in Edmonton. Joanne is sponsored by the Milo-Queensdown FWUA.

Mr. and Mrs. Lewis Greaves and Lyle travelled through a lot of the country south of Lethbridge on the Hereford Cattle Breeders' tour on Saturday. They stopped to pick up their son-in-law and daughter, Mr. and Mrs. Alvin Larkins of Vulcan, who accompanied them on the tour.

Mr. and Mrs. Don Gordon and family of Cluny were overnight guests at the home of Mr. and Mrs. George Heather on Saturday, after the race meet at Lake McGregor.

Mr. and Mrs. Fred Bertschy accompanied by their daughter, Mrs. Tom Barr of Mossleigh, spent a

few days of the past week in Great Falls, Mont.

Mr. and Mrs. Reece Wellman and family of Ensign were guests last weekend at the home of Mr. and Mrs. Ray Wellman.

Although threatening clouds have passed overhead, only 12 inches of rain was recorded this week. Reports of grasshoppers hatching have been received and some spraying to combat the pests has commenced. Gophers are more numerous than they have been for some years.

A telephone linesman from Saskatchewan has been working on the lines around here for the past week, so maybe in the near future it will be possible to use the phone even if a breeze is blowing. Poles have been reset and new lead in wires are being installed to all phones.

Library Notes . . .

The Vulcan Public Library serves a population of over 5,000 people. They need books on every possible subject and their interests and tastes range very widely. A public library belongs to all the people it serves and must provide books to satisfy a tremendous variety of readers. We believe that freedom to read is essential to our democracy. To ban books from our collection because some of our readers feel that they should be kept from others would inevitably result in a poor library or none at all. It would mean that every reader would lose his right to find books that meet his needs in the library. Some readers in the past have objected to passages in the Bible and in the works of Shakespeare, but we could not claim a good library if we had agreed to remove them from the shelves. We must consider the opinions of all our readers.

When books are bought, they are carefully checked against reviews in special library periodicals, and since censorship is not a library function, we feel that every book has a right to be made available to people who request it. Many readers find certain books unpleasant, but to many more, the same books depict ways of life that do exist in some places.

Attempting to meet the needs of so many readers in a continual challenge; basically, we believe we must protect our public's right to choose their reading, and as we do not ban books that may be disagreeable to you, we do not deprive you of books that others might question. Those books which you do not like, do appeal to other readers; those which others find unappealing, you may well enjoy. Your public library tries to satisfy all tastes and all needs, because we are after all, one of the important democratic institutions left. Censorship is not a function of a public library.

CARDS OF THANKS

A sincere thanks to all our friends who sent flowers and cards. You were all so kind and helpful during our recent bereavement. To Rev. Sharpe and Rev. Dawson, to Mr. Wisener, Mr. Foreman and Mrs. Bennett, our many thanks.
—Henrickson and Lucas families. 46-p

I would like to express my sincere thanks to my many friends for the kindness shown to me while I was in the hospital, also for the lovely flowers and cards. A special thanks to Dr. Koziol and Dr. Tompkins and nurses. Also to Miss Sissons for her kindness. 1-p
—Dorothy Henrickson, Lomond.

We wish to thank all those who so kindly helped finish putting in the crops and did the chores while Vic was in the hospital. Those being Len and Mary Stokes, Harold and Melvin Magnuson and Frank and Harvey Boyd. It was sincerely appreciated.
—Vic and Judy Birkenes. 46-p

I wish to thank everyone who supported me as queen candidate; the Lomond Home and School Association for sponsoring me and everyone who took the time to sell and to buy tickets. Thanks everyone of you.
—Linda Lucas, Lomond. 46-p

Pete and Ernie Douville wish to thank their many kind friends for the lovely farewell tendered in their honor and also for the lovely gift presented to them during that evening.

Letters to the Editor

To the Editor of The Advocate,
Dear Sir:

The Canadian Forestry Association's Tree Planting Car will be in Vulcan on Tuesday, June 28, in charge of Jack Wenham, with a program in the car that evening, commencing at 8.00 o'clock. If the schools are still in operation, arrangements will be made to have the pupils attend special programs.

The object of the Car's visit is to create greater interest in tree planting and soil conservation. Those attending the meeting will find the program instructive and entertaining, with practical lessons in the planting of shelter belts, field belts and home beautification. The Car will be conveniently located at the CPR Station, and those in charge will be happy to provide all possible assistance to prospective planters. All services are free and there is no admission charge of any kind.

We are naturally anxious to have as many people as possible take advantage of the Car's visit, and your kind co-operation in helping us to let the people of your district know that the Tree Planting Car will be in town will, I assure you, be greatly appreciated.

With many thanks for your past assistance and trusting to be favoured by your help, I remain,
Alan Beaven, Manager.

CARD OF THANKS

To all our Champion friends and neighbors we extend a grateful and sincere thanks for flowers, cards of sympathy, and offers of help during our recent bereavement.
—Mr. and Mrs. Wilbur Matlock and family. 46-c

As we are unable to say thanks to everyone individually in the Carmangay-Champion district for the lovely gifts and farewell party held in our honor, we would like to take this opportunity to express our utmost thanks. Our stay in this community and district has been a pleasant one and we take many happy memories with us to our new life in Edmonton. 46-p
—Dr. and Mrs. Eugene Szekely and family.

I would like to thank Dr. Tompkins, the nurses at the hospital and all my friends who visited me, sent cards, gave gifts and flowers while I was a patient in the hospital. Thanks a lot.
—Mike Miller. 46-c

We wish to thank our neighbors, friends and relatives in making our Open House such a wonderful success. A day we can never forget. We consider ourselves very lucky to count so many friends and to be able to live among them. 46-p
—Len, Jo and Bill Bach.

WHICH TWINE
is matched to your needs?
If you put up heaviest bales, get McCormick twine in the RED WRAPPER. Safely holds bales up to 100 pounds.
If you put up average size bales, for economy's sake get McCormick twine in the BLUE WRAPPER. Safely holds bales up to 60 pounds.
One bale* of McCormick '9,000 feet' twine ties 500 heavy bales. One bale* of McCormick '10,000 feet' twine ties 555 bales. In either case, you'll bale more hay for less money, in the secure way you want it tied—and get smooth, trouble-free performance from your baler.
Look beyond the price tag when buying twine. Compare length, strength, and uniformity. Even-spun, knotless McCormick twine is made in Canada from true Sisalana fibre—flows freely through any knottier.

The list of buyers is being compiled and will be recorded in the next issue of the Advocate.

June Meeting Of CWL Council Held
(Held Over From Last Week)
The June meeting of the Vulcan CWL was held at the home of Mrs. Leslie Shaw, with the director, Father Marien and 12 members present. Two new members, Mrs. E. Calhoun and Mrs. B. Tabler, were welcomed by President K. Peard.
The meeting began with recitation of the League Prayer led by Father Marien, followed by roll call and minutes of the last meeting. Mrs. Les Shaw, education convener gave an interesting talk, on the mothers' part in educating her children in the home, especially in their religious background. Also the importance of encouraging their children to complete their education. Mrs. Shaw also drew attention to the report on the recent Diocesan Convention in our League Magazine. Final plans were made for the catering to the wedding of Mary Maclean and Ed Zilke on June 18.
A handmade crocheted tablecloth will be raffled in the fall and tickets will be on sale soon. Conveners were chosen to complete the plans for the catering of Kathy Nolte's wedding on July 2.
Winner of the recent raffle sponsored by St. Andrew's Church on the \$5,000 draw in Toronto, was Mrs. Regina Rivers, Hoyle, Ont. The lady who obtained the \$500 for selling the winning ticket

Left Over Wool Wanted For Korea
The W.S. of the Evangelical United Brethren Church have embarked on a project to aid girls in Korea through The Canadian Save the Children Fund.
They are endeavoring to collect all left over wool from homes here and send it, through the CSCF to Korea where it will be used in knitting instruction for homeless girls.
Last year 80 girls received instruction and were placed in knitting factories and more girls are taking the course this year, but due to the scarcity of wool, it costs nine Canadian dollars a pound in Korea, the students have had to unravel one day's knitting in order to have wool for next day's work.
Persons wishing to help in this drive are asked to contact either Mrs. Norman Lebsack or Mrs. Dave Schlerman before June 30th. Wool collected will be sent on its way early in July.

Wrong!
There's always a right and wrong way to do anything; and we've gotta hunch we can paint a pretty clear picture of just how to go about getting your car "fixed up" THE WRONG WAY. All you gotta do is take your car to "just any old mechanic" and let him use "just any old parts" he can find, with the accent on cheapness rather than quality and dependability.
Your over-all bill may be a bit cheaper, but when you figure up what it costs you to have the job done over earlier than you should, the cost is probably higher than if you'd had it done right in the first place.

Right!
And the right way doesn't take too much guessing on your part — you know what we're gonna say, but let's say it again, just to avoid any misunderstanding! Start off RIGHT by bringing your car to experienced, trained and adequately-equipped mechanics, and having them do the job according to CHEVROLET specifications, using GENUINE CHEVROLET Parts. They're built to fit right, hold tight and last longer. Every Chevrolet part is tooled to within a "hair" to do the job you want it to do and give you the lasting service you expect—and have a right to expect—from CHEVROLET!

Mr. and Mrs. L. J. Bach held open house on Sunday, May 12, for their son, Dr. Bill Bach, a recent graduate in medicine from the University of Alberta.

Sharon Clark and Lynn McFarland entertained recently for 29 of their school friends, at the Dale Clarke home. A barbecue, games and dancing provided a fun filled evening for the young people.

The West Country Women's Club met at the home of Mrs. Rosella Hubka for their regular meeting. Nine members answered roll call with showing something each had made. As this was birthday month, the members gathered around the dining table, centred with a beautiful birthday cake and sang, "Happy Birthday" to Mrs. Ella Mifflin whose birthday was being honored. Roll call for July will be a recipe and a sample — the recipe to be auctioned.

CARMANGAY

Mrs. O'Neill of Calgary is visiting with Mr. and Mrs. Laurence Blue this week.

Mrs. Coombs, Sr., of Warner is visiting her son and family, Mr. and Mrs. Ben Coombs.

The Bert Blenke family returned Monday from a two-week vacation at Grand Prairie.

Retires From Ministry
Approximately 80 friends and neighbors gathered in honor of Rev. and Mrs. Dawson on Tuesday evening in the United Church.

Rev. Dawson has retired from the ministry and will be making their home in Vulcan.

A program consisting of a singing; a duet by Rev. Dawson and Mr. Boatman; numbers by the choir; a piano solo by Lenora Baldwin; and a drawing contest, was enjoyed by everyone present.

Rev. and Mrs. Dawson were presented with a set of TV tables and a pair of plaques. Lunch was served by the W.A.'s.

Farewell Party
A farewell party was held for the Dr. Szekely family on Friday evening in the Community Hall.

The program consisted of a duet by Connie Stettner and Lenora Lacro; a piano solo, Lenora Baldwin; a solo, Ruth Hummel; a duet by Ruth and Eleanor Hummel; a reading on the life of the Szekely family, Mrs. McFarland, Sr.; solo by Vernon Soderquist; and a skit put on by the hospital staff. Farewell speeches were made by the following: Frank Hubka, representing the Hospital Board; Ken Bloxham, Mayor of Champion; Wally McIntyre, citizens of Carmangay. The Hospital Auxiliary presented Mrs. Szekely with a corsage.

The Szekely family moved here nine and a half years ago and were active members of the community during the time. They are moving to Edmonton in a very short time where Dr. Szekely will be carrying on with his practise. The family was presented with a TV chair, a mirror, a pair of light holders to match and a desk lamp from the district.

Home and School Association
The Carmangay Home and School Association held their regular meeting on June 16, with 31 present. It was decided to hold the annual school picnic on June 30, at the ball park in town. It will start at 10:00 o'clock and the children will go down there from school. It will be finished at 3:30 p.m. Everyone will be welcome. The main meal will be at 12 noon.

The annual reports were given. There were nine members with a perfect attendance for 1959-1960. Mrs. Sanderson of Champion, vice-president of the Home and School Institute, installed the new officers. They are as follows: President, Mrs. Gladys McGinnis;

BLACKIE

Mr. and Mrs. Les Sutor and daughter, Judy, visited at Cold Lake with their son and daughter-in-law and new grandchild.

Congratulations are extended to Mr. and Mrs. Stuart Walbauer on the birth of their son in the High River Hospital on Sunday.

Tony Koster, son of Mr. and Mrs. John Koster, is in Edmonton for nine days taking a course in Farm Equipment and Farm Buildings. The course is sponsored by the Alberta Wheat Pool and Tony was nominated by the Herron Community Club to represent this district. Tony has been working with his father on the farm since completing his schooling at the Blackie school.

Mr. and Mrs. Ken Horness and family of Cold Lake and Mrs. B. Frater of Brant were visitors at the home of Mr. and Mrs. Joe Edgerton.

Visiting at the home of Mr. and Mrs. J. Montgomery, Sr. and his brother and wife, Mr. and Mrs. Drew Montgomery of Emporia, Kansas.

Among those taking in the Bingo in Strathmore were Mr. and Mrs. Harley Swartz, Mr. and Mrs. George Lewis, Eli Archambault, Lee Tucker, Bill Cormack, Mr. and Mrs. Jim Stier, Mr. and Mrs. Alvin Montgomery and Mrs. Jim Montgomery. Alvin Montgomery won the first Bingo of the evening and chose as his prize a movie camera and projector.

Patients in the hospital this week were Miss Sheila Raycraft and Mrs. John Rathgeber.

Visiting at the home of Mr. and Mrs. Robert Bateman was her sister, Mrs. Agnes Allen of Banff.

While Miss Bertha Raycraft was absent from school, Mrs. Cecil Kumlin taught the Grade 7 pupils and while Miss Marjory Weerstra was away, Mrs. Bill Colliton taught the Grades 3 and 4 pupils.

There was a spotty frost in Friday evening with damage shown mostly to gardens. Patches of potatoes were blackened and beans etc. will have to be replanted. Frost damage also showed in some flax crops.

Sports Day

The annual sports day sponsored by the Blackie Chamber of Commerce and Agriculture was a success. Gate receipts paid for the prizes in the races and the ball games. A financial gain was realized on the booth and on the evening dance. Competition in the horse shoe pitching contest was high with over thirty competing and Alex Lahnert winning the Championship belt. The smaller children enjoyed the races and sporting events.

Of the three ball games, High River won over Blackie in the Little League, Cayley over the home town team in the second game and in a softball match, the County beat the Town. The dance was well patronized.

with the members taking part in reading and answering questions.

The roll call was answered by nine members. There were also two visitors. The minutes of the previous meeting the treasurer's report were disposed of in order and adopted as read. The correspondence consisted of a thank you letter from the Nome Alaska Mission for donation received and another letter from Camrose for a donation of \$25.00 for each of the last three years on the Lutheran College fulfillment fund. The members voted to send \$10.00 to the Highwood Lutheran Bible Camp.

The painting of the church floor and varnishing of pews were discussed and the members decided to meet on Monday, June 27, for work at the church.

The place and date of the next meeting will be announced later. The meeting was then closed with the hymn, "What a Friend We Have in Jesus," followed by "The Lord's Prayer," in unison. A lovely lunch was served by the hostess and was assisted by her daughters, Sherry and Lorraine.

Birthday Club Meeting

On June 9, the Birthday Club met at the home of Mrs. Zuba, with 12 members and three visitors in attendance. In the absence of the president, Mrs. Lindstedt, the meeting was conducted by the vice-president, Mrs. V. Volesky. The roll call was guessing who had been the Sunshine Friend for the last year. Only four members guessed correctly. Discussion was held regarding a float for the parade for the Sports Day and plans were made accordingly.

The audit of the books found them in good order. Members joined the club for the ensuing year and Sunshine Friends were drawn.

When the meeting was opened for the election of officers, the election was very soon disposed of by re-electing the old slate of officers by acclamation: President, Mrs. Earline Lindstedt; vice-president, Mrs. Isabelle Volesky; secretary-treasurer, Mrs. Mary Crawford. The raffle was won by Mrs. Lil Hodgson, who was also the lucky winner of an interesting Rodeo Name Contest presented by Mrs. Mary Crawford.

To close a pleasant afternoon, a sumptuous lunch was served by the hostess and assistants.

Revolutionary
NEW CASE 200
Sweep Feed Balergives you 10-TON capacity
PRICED WITH THE LOWEST*THIS IS
Sweep Feed

Sweep fork is forward as plunger compresses hay in chamber.

Plunger retracts as fork sweeps in new charge of hay.

Priced with the Lowest — Revolutionary Sweep-Feed design eliminates complicated drives... permits extremely rugged construction and up to 10-ton capacity at a record low price. One sweep of the fork moves hay from pickup to bale chamber.

Smooth, Counterbalanced Sweep Feed — Sweep fork is direct-connected to the plunger... one counterbalances the other to make the Case 200 the smoothest, quietest operating baler in the field. Can't get out of time.

Gentlest — Each sweep of the fork feeds a full charge of hay into the bale chamber gently and evenly... no augers, no "kickers" to tear and lose leaves.

*We don't believe anyone can beat our price on a baler with this capacity.

Pioneer Of Reid Hill District Dies

Funeral services were held from
the Vulcan United Church at 3:00
p.m. on Saturday, June 18, 1960,
for Cecil Herbert Smith, a resident
of the Reid Hill district for many
years, who died last week in High
River.

Born at Cotton, Ont., Mr. Smith
came west to Cayley in 1906 and
in 1910 homesteaded in the Reid
Hill district east of Vulcan, retir-
ing to Vulcan in 1952. He was a
member of the Masonic Lodge.

Predeceased by his wife in 1952,
he is survived by four daughters,
Mrs. Kenneth (Dorothy) Nickerson
and Mrs. William (Charlotte)
Nolan, both of Vulcan, Mrs. David
(Kathleen) Smith, in Clark Sum-
mit, Penn., Mrs. Steve (Jean)
Walker, in Edmonton; two sisters,
Mrs. Joseph Sloan in Winnipeg
and Mrs. Bertha Brown in Brent-
wood Bay, B.C.; a brother, Dr.
Erdman Smith, Denver, Colorado;
and 15 grandchildren.

Rev. D. A. Sharpe conducted the
funeral services and pall-bearers
were Bruce McKay, Carson Mc-
Kay, Ernie Bowie, Norman Scot-
tney, Rudolph Graff and Percy
Myers. Vulcan Funeral Home was
in charge of arrangements and in-
terment was in the family plot at
the Vulcan Cemetery.

Tree Planting Car To Visit Area

The special railway car used in
the annual tree planting campaign
of the Prairie Provinces Forestry
Association will be visiting towns
on the Aldersyde CPR line the lat-
ter part of this month.

The original "tree-planting car"
which served for 39 consecutive
years, was replaced last year by
a remodelled steel coach.

Object of the annual campaign is
to encourage the planting on the
prairies of shelter belts and field
shelters which, besides the beauty
they add to a farm, give protection
from the wind to buildings, gar-
dens and fields.

Meetings are held in the car at
8:00 p.m., at each point on the
car's itinerary and, when possible,
arrangements are often made for
pupils to visit the car during school
hours.

Sound films are used to show the
results obtained by farm people
through planting trees and give
practical instruction in tree plant-
ing and home beautification. An
illustrated talk covers planting
methods, which trees to plant, the
laying out of a shelter belt and
planning the home grounds, with
information on the care of trees
and shrubs. A question period fol-
lows each evening meeting.

The public is invited to attend
these evening meetings. There is
no admission charge and much
helpful and interesting infor-
mation can be gained. The meetings,
at 8 p.m., will be held in this
area on the following dates:

At Barons, June 23; at Carman-
gary, June 24; at Champion, June
25; at Kirkcaldy, June 27; at Vul-
can, June 28; at Ensign, June 29;
at Brant, June 30; at Blackie,
July 1.

Shower Honors June Bride

Some 50 friends gathered Friday
evening in the Legion Hall, when
the Reid Hill WI assisted by the
CWL entertained at a shower in
honor of Mrs. George Fath, a re-
cent bride.

The bride's table was decorated
with bouquets of lilacs and other
spring flowers, and colorful
streamers. Centering the pretty
table was an upturned umbrella,
beautifully trimmed, which was
filled with many gaily wrapped
parcels.

Mrs. F. J. Mensinger and Mrs.
Ross Walker were in charge of the
program and the guests enjoyed
several games of bingo, the lucky
ones receiving small prizes.

Mrs. Clifford Love, on behalf of
those assembled presented the
former Jean Harold with the lovely
assortment of gifts and expressed
the good wishes of all for a long
and happy married life. Assisting
the guest of honor to open her
gifts was her mother, Mrs. Ray
Harold and Mrs. George Fath,
mother of the groom. Later Jean
very graciously thanked her friends
for the many lovely and useful
gifts for her new home. Miss San-
dra Paris was in charge of the
guest book.

To conclude the evening's pro-
gram a dainty lunch was served
by a number of the ladies. A
beautifully decorated bride's cake,
made and trimmed by Jean's aunt,
Mrs. Lorne Henry was served to
the shower guests.

Normally it takes at least sixty
years to grow a spruce forest.
